

## **Things I Like ...**

**I like a social game of bowling,  
I find it restful and consoling.**

**I love to get a toucher,  
And if it's resting - even mucher.**

**I enjoy a drink when the game is done,  
And be with winners when they've won.**

**Not poor losers, who've lost the plot  
Can't say that I like that a lot.**

**I like to drink with better bowlers,  
Movers, shakers and controllers.**

**I love to visit other clubs, wherein  
We've played pennant - when we win.**

**I hate excuses, better left unsaid,  
And losing skippers bitching - 'there was nothing in the head.'**
