MEDICARE (joke)

The phone rings and the lady of the house answers, "Hello."
"Mrs. Sanders, please."
"Speaking."
"Mrs. Sanders, this is Doctor Jones at Saint Agnes Laboratory.
When your husband's doctor sent his biopsy to the lab last week, a biopsy from another Mr. Sanders arrived as well... We are now uncertain which one belongs to your husband.
Frankly, either way the results are not too good."
"What do you mean?" Mrs. Sanders asks nervously.
"Well, one of the specimens tested positive for Alzheimer's and the other one tested positive for HIV. We can't tell which is which."
"That's dreadful! Can you do the test again?" questioned Mrs. Sanders.
"Normally we can, but MEDICARE will only pay for these expensive tests once."
"Well, what am I supposed to do now?"
"The MEDICARE Helpdesk recommend that you drop your husband off somewhere in the middle of town. If he finds his way home, don't sleep with him."

RENOVATIONS WELL UNDER WAY

By now you will all have seen the great progress being made on the new section of our building. It's all due to a lot of hard work by our committee and volunteer members, but it shouldn't be too long now before we begin to reap the rewards. All members are asked to keep in mind however that the new section is still a 'Work Site' and you are asked to keep clear until such time as you are notified that the building is open for use.
