

“Music For The People” Mossvale Park, Sunday, 26 February, 2006

Brown's Cows Orchestra was formed January 2005 and made its debut at “Music for the People 2005”. We are delighted to have been invited to return to perform again this year.

BCO is made up of string, woodwind, brass and percussion players. We have primary school children through to senior citizens, and skills from complete beginners to semi professionals.

Our performance today is a tribute to the Commonwealth Games and the six countries who have attended all British Empire and Commonwealth games since inception in 1930. (Canada, England, Scotland, Wales, New Zealand & Australia)
