Bid farewell to summer in South Gippsland

'*Music for the People*' has drawn people to the magnificent Mossvale Park in South Gippsland for over 40 years.

Featuring the Victorian Concert Orchestra, the South Gippsland Shire Brass Band, the South Gippsland Wind Orchestra and the Wonthaggi Citizens Band, the concert programme provides hours of musical delight, from popular classics, light opera, old favourites and excerpts from modern musicals.

Make the most of the picnic atmosphere of the park by packing lunch, chairs or blanket and selecting a spot under the shady arm of one of the mature European trees, or support the Mirboo North Scouts & Cubs by purchasing lunch from the kiosk.
